BEAT THE CLOCK "COINS" AUCTION

► **Purchase coins at any time all night: 42 coins for \$20; 20 for \$10; 10 for \$5, \$.50 each**

A computerized timer is set to go off at random intervals. To bid, hand a coin to any of the people holding up numbered signs. The auctioneer reads aloud the numbers he sees and each sign is lowered when its number is called. When the buzzer sounds, the person who pays the coin for the last number called wins.

"BON APPETIT" DINING & FOOD AUCTION

Gift cards at many of Greater Hartford's most popular restaurants. Auctioneers tell you the name and \$\$ value of each before every round of bidding begins. Traditional bidding in increments of \$5.

LIVE BID AUCTION

Auctioneers provide starting bids, descriptions, and prize values.

SILENT AUCTION

Bid by writing the amount in \$5 increments you want to bid and signing your name on the specific bid sheet. Come back periodically to see whether you have been outbid. As the auction continues, more people sign bid sheets, and the prices rise. Write a new amount if you are willing to increase your bid, and sign your name on the bid sheet again. Wait for the closing of the sale to be announced by the auctioneers – at the end of the auction period, the last one to bid (the one with the highest bid) wins.

HEADS OR TAILS CONTEST

Buy a \$20 Smiley Face Pin anytime during the evening for a chance to **win a \$500 American Express Gift Card**. Everyone with a Pin stands up. Place your *Hands on Head* for Heads, and *Hands on Bottom* for Tails. The auctioneer will flip a coin. Those choosing correctly stay in the contest. All others sit down. We will play until there is only one person left standing – the winner of the \$500 gift card!

REMINDER! Some gift certificates have expiration dates, and others have restrictions. Read your certificates and prize packets carefully and redeem them before they expire.

Cash, Checks & Major Credit Cards All Welcome
